

Rhino Horn Trimming

Join our wildlife management team as part of our successful ongoing rhino dehorning programme. Get up close and personal as the team sedates, collects samples, and trims the horn of one of our population of black or white rhino.

Booking Procedure: Exclusive dart may be booked and confirmed in advance. Individual guests can register interest but minimum 12 pax from reserve required for booking to proceed.

Cost: R1945 per person (min 12 pax, max 20 pax), exclusive dart R38,850

Transport: Transfer must be booked.

Considerations: Activity occurs in the morning and will take the place of a game drive. Activity may not be available at all times of the year. Activity only confirmed once minimum of 12 guests have registered.

Rhino Orphanage Visit

The Zululand Rhino Orphanage is a specialized facility for the care and rehabilitation of rhino calves orphaned by the rhino poaching crisis. During your visit you will be able to see how the facility is being run and how the orphans are being cared for.

Booking Procedure: Can be booked in advance.

Cost: R1735 per person (min 2 pax, max 10 pax)

Transport: Self-drive or transfer may be booked.

Considerations: Timing of activity is seasonal, transfer availability dependant upon timing of visit and game drives. Activity may take the place of a game drive depending on timing. Rhino orphanage subject to frequent closure with emergency situations.

Note: Activity may not be advertised externally.

Pangolin Experience

Join the ZCT for a walk with a pangolin as part of our soft release reintroduction programme or to monitor the status of pangolins that have already been introduced to the game reserve.

Booking Procedure: Can be booked in advance.

Cost: R1680 per person (min 2 pax, max 8 pax)

Transport: Transfer must be booked.

Considerations: Activity only available twice per week. Timing of activity is seasonal and not on offer in warmer months when pangolins are not active in daylight hours. Activity may take the place of a game drive depending on timing.

K9 Training

Join our anti-poaching team during one of their training session with the K9 Anti-poaching unit. Learn more about how Manyoni Private Game Reserve is fighting the rhino poaching crisis as you get hands on with our K9 team.

Booking Procedure: Can be booked in advance.

Cost: R1050 per person (min 2 pax, max 10 pax)

Transport: Transfer must be booked.

Considerations: This is a morning activity though special requests for alternative timing can be made in cooler months. Timing may conflict with game drive times.

Wildlife Tracking

Join the Manyoni management team in tracking one of the collared animals of our priority species. Learn how to use telemetry equipment and gain insight into wildlife management and animal behaviour.

Booking Procedure: Can be booked in advance.

Cost: R1420 per person (min 2 pax, max 10 pax)

Transport: Included with ZCT.

Considerations: This is a morning or afternoon activity and will conflict with normal game drive time.

Cultural Tour

Visit one of the Zulu communities that lives on the boundary of Manyoni Private Game Reserve. Get a feel for everyday life in a Zulu village and visit some of the community projects supported by the Zululand Conservation Trust.

Booking Procedure: Must be booked in advance. This activity is only available upon special request.

Cost: R1000 per person (min 2 pax, max 10 pax)

Transport: Included with ZCT.

Considerations: activity takes place from 10am-2pm.

Note: Due to the sensitive nature of the activities, last-minute cancellation due to unforeseen or emergency circumstances is always a possibility. The Zululand Conservation Trust must always place the health and safety of the animals and its team members as priority along with the actual work requirements of the various conservation projects. Payment for all Zululand Conservation Trust activities will be invoiced in camp during guest stay. Round trip transfers for any activities will be invoiced at the following rates: 1-3 pax R2915, 4-7 pax R4345, 8-10 pax R5445. Rhino Sands will perform transfers where possible, alternatively transfers will be outsourced.
